

## **Matters Arising – Membership of Delegates’ Meeting**

The Management Committee considered the referral of the membership of the Delegates’ Meeting from the Delegates’ Meeting on 17 March 2018

The meeting reviewed a paper with suggestions and made a number of changes which are incorporated in the attached paper (Changes to the Divisional Delegates’ Meeting Membership)

The Management Committee is therefore recommending that the Delegates’ Meeting adopt the proposals contained in the paper with the necessary changes in the Constitution to be made for the September meeting

Also attached is a diagrammatic representation of the new Delegates’ Meeting which follows from these changes
