

GLOUCESTERSHIRE BOWLS ASSOCIATION

MEN'S DIVISION

3rd April 2021

Fellow bowlers

Having been approached with regards to a clash between the re-arranged County Championship dates and the President's Tour, the County Competitions Committee has agreed that, due to the unusual circumstances of this season no 'tourist' should be unduly penalised by this clash.

Therefore, any team that contains a 'tourist' may, if necessary;

- play Triples R2 early,
- delay and re-arrange Senior Fours R2 up to 21st July inclusive,
- delay and re-arrange Triples R3 up to Sunday 11th July inclusive.

Re-scheduling a 'fixed-date' round early is already permitted by Competition Rule 3.4.2 (2021) and Rule 3.2.4 (2021) where opponents are known, and arrangements can be made.

Should the delay to a round be required then the opponents and the section competition secretary should be informed as soon as possible.

When re-arranging play-on rounds attention should be paid to Section 3 of the Competition Rules (2021) which can be found on Pages 63-64 of the Division Yearbook.

If the President's Tour does not take place, then this dispensation will no longer be valid.

Regards Ian Gauld
County Competition Secretary
