

GLOUCESTERSHIRE BOWLS ASSOCIATION COMPETITION RULES

2020

Introduction

No laws governing a sport can cope with every situation, the laws of the sport of bowls are no exception and unusual situations not covered within the laws can sometimes arise. These Competition Rules for the Gloucestershire Bowls Association have been drawn up in the spirit of true sportsmanship and if a situation arises that is not covered, players, markers, umpires and County officials should use their common sense and a spirit of fair play to decide on the appropriate course of action.

All Championship and Competition matches shall be played under the current Laws of the Sport of Bowls and Bowls England Regulations, incorporating GBA rule variations where appropriate. Competitors will be assumed to have read and be conversant with Appendix C of the Bowls England Championship/Competition Rules & Regulations : Code of Conduct.

Abbreviations : GBA - Gloucestershire Bowls Association
 DCC - Divisional Competition Committee
 Championship Competitions - Competition rounds leading to the English National Championships
 County Competitions - Competition rounds played in purely GBA competitions

In the situation of play between a deaf player and a hearing player each player should be allowed to use a person who can communicate with them. If a marker who can both sign and speak/hear is not available, then a second marker is permitted. Both markers must be nominated before commencement of the game and only they may communicate with the players during the game. 10. Stoppages or Postponements

10.1 Challenger and Opponent must come to a reasonable agreement in the case of exceptional bad weather, as to whether continuing play is possible or might become possible within a short time period. This could relate to :

- a) the deterioration of the playing surface

10.4 When a green is declared unplayable prior to the match by an appropriate club official, it is the responsibility of the challenger to arrange an alternative green for the match to be played on either the fixed date or an agreed play-by date.

10.5 Semi-Finals and Finals Days may be exempt from the above and games/events re-arranged where deemed necessary.

If a game cannot be completed and there is no time remaining to allow re-arrangement, then the result is determined by a coin toss.

13 Complaints, disputes and appeals

Competitors should, at all times, be mindful of the fact that we play our sport for fun and to make friends. Complaints should not be made lightly and never in temper. They will be damaging and will involve both the complainant and County officers in considerable effort and sometimes expense, that will on occasions result in only an inconclusive outcome.

Please think very carefully indeed before initiating a formal complaint and read all relevant parts of these GBA Competition Rules. Also then refer to **Schedule G : GBA Competitions - Complaints, disputes and appeals**, which is to be found in the GBA Club Handbook, on the Gloucestershire Bowls Web Portal, or copies can be obtained from the GBA Administrator.
